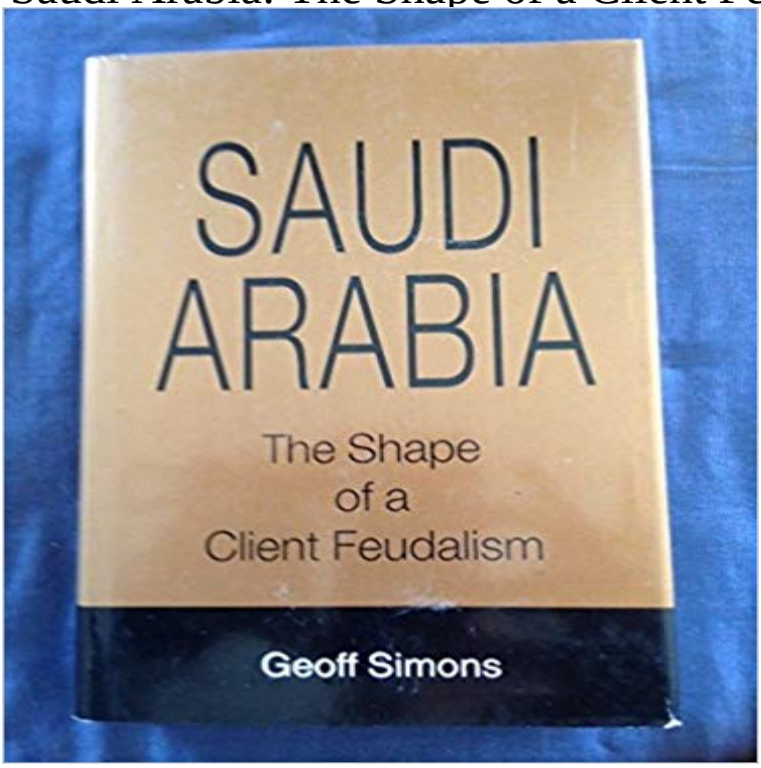
Saudi Arabia: The Shape of a Client Feudalism



Geoff Simons describes the current human-rights situation in Saudi Arabia with reference to corruption, the treatment of dissidents, the penal system, the suppression of women, slavery and other aspects. A detailed history, from pre-Islamic times to the present, is provided, with attention to the influence of Mohammed, the Saudi ascendancy, the role of the West, the discovery of oil and the wars in the region. Attention is also given to the various economic, political, and religious problems that face the Saudi regime and the Saudi response.
