

More than 40 EASY and FAST GLUTEN-FREE RECIPES! A gluten free diet is generally prescribed to people suffering from celiac disease or gluten intolerance. Such diet offers the only treatment option for curing digestive disorders in a natural way. In addition, it has many other health benefits and is constantly gaining popularity among a large number of people. Celebrities are moving towards a gluten free living for maintaining a healthy lifestyle. The need to eat gluten-free food has now become essential for many reasons, but before that it is essential to know what gluten is? Gluten is a protein that is stored in certain foods like wheat, barley etc in high quantities. Gluten is nothing but glue which provides a smooth texture to the dough. This smooth texture makes food more tasty and chewy. But this gluten, when consumed regularly in high quantities may pose health risks. „Being gluten free does not mean a life of misery when it comes to eating. In fact you will be pleasantly surprised that there are number of great recipes waiting to be tried. Dont let being gluten intolerant destroy your love of food, instead be positive and use it to your advantage - look at it as a challenge of exploring new and wonderful foods that will leave you wanting more and more. Summer is the perfect time for people who are gluten intolerant - there is a plethora of wonderful fresh salad recipes out there that are easy to make with little or no cooking time. You will surprise not only yourself but also your dinner guests when you tell them that your recipes are all gluten free. Below you can find a couple of wonderful, quick and easy gluten-free salad recipes to kick start your summer cooking. Enjoy!“
