

Signs of a Scribal Prophet

In this unique book, *Signs of a Scribal Prophet*, those who are hearing the clarion call to scribal ministry can finally learn what it really means to be a scribal prophet in the earth today, while dismantling many of the myths and misleading teachings that severely limit their calling to recording prophecy or prophetic revelation. Scribes will be affirmed, encouraged, motivated and challenged as they uncover the signs that distinguish the scribal prophet from the prophetic scribe walking under *The Scribal Anointing*. In addition, there is special insight on the lying pen of the scribe as addressed in Jeremiah 8 and affirmed in Matthew 23 by Christ.
