

Angels Ride Bikes: And Other Fall Poems / Los Angeles Andan en Bicicleta: Y Otros Poemas de Otono (The Magical Cycle of the Seasons Series)

In this bilingual poetry book, Francisco X. Alarcon invites young readers to experience fall in Los Angeles the City of the Angels where dreams can come true. In the poets whimsical imagination, mariachis play like angels, angels ride bikes, and the earth dances the cha-cha-cha. Alarcon celebrates the simple joys and trials of everyday life: a visit to the outdoor market, the arrival of the ice cream vendor, the first day of school. He honors his family and pays tribute to his mother, who taught him that with hard work and education he could realize his dreams. Maya Christina Gonzalezs spirited images perfectly complement each poem, bringing to life the people and places in Alarcons childhood.
