

# How To Make Money Gambling: A Simple Guide (The Path To Success Book 5)

Possibly the only book about gambling ever written aimed at a non-gambler, intended to give you ability to win against a casino today. This book is not about relying on luck, it is about making your own luck. It is about winning. Even if you never gambled, and never had any interest in gambling at all, read this book. Gambling just might pay for your next vacation. If nothing else it contains perhaps the best written explanation of card counting in Blackjack for the absolute beginner you will ever read.
