

Big Boobs, Gorgeous Thighs, and a Hot Butt: The How To Guide

All women are beautiful, but if you want to make your chest a little bigger, just eat some fruits and vegetables! Dont worry about the cellulite on your thighs, all women have that. And your butt looks fine honey. Haha. You know that fruits and vegetables cant make your boobs bigger, and while you should definitely love your body the way it is, you just want bigger boobs. You know all women have some cellulite and that your butt looks fine, but you dont want to be average, you want to be HOT. You dont want a lecture about self confidence; you just want to be even more gorgeous. Its not that big of a deal. This short, simple, and to the point book wont waste your time with feel good and useless advice. Instead, we will tell you the difficult but effective ways to get the appearance of bigger boobs without surgery. We will show you exercises that can sculpt a hot butt and gorgeous thighs. And we will show you how to use bras, padding, jeans and more to make you look like you have a hotter butt and bigger boobs than you do. So lets get started.
