

Gluten Freedom: A Guide on Living Gluten Free

Are you sick and tired of feeling sick and tired? Been to the doctor, taken the medications, and you still suffer? Maybe you are suffering from a sneak attack! An attack launched from the very foods you've been eating all your life. And until now, you had no idea that your health might be ruined by foods you thought were good for you. Gluten is certainly in the news lately, and in this book Dr. Bailey will help you sort through the information (and misinformation) about gluten's role in health and disease. Discover how gluten can shorten your life and be responsible for over 130 diseases. See how living a gluten free life can be easy as well as healthy.
