

Abraham Lincoln (Bicentennial Edition)

A Caldecott Medal Book, A Child Study Childrens Book Committee: Childrens Book of the Year. Beautiful Feet Books is excited to announce the publication of Abraham Lincoln the beloved classic in a special hardback edition in celebration of the bicentennial anniversary of Lincolns birth. This edition is published from the original 1940 printing and we were able to recreate the vivid colors originally intended by the dAulaires. This is a must have for any fan of the dAulaires. America was at a crossroads in 1939 as they debated whether to join the Allies in their battle against Hitlers relentless march across Europe. As European immigrants the dAulaires felt keenly the importance of standing against injustice, and saw in Lincoln the archetypal American hero as he stood against the injustice of slavery. It was this spirit they hoped to exemplify in their biography of young Abe as he grew into manhood against the backdrop of the wilderness of Kentucky, the deep woods of Indiana, and the prairies of Illinois. Camping for weeks in Lincoln country, the dAulaires imbibed the spirit of the man Lincoln as well as his humor and good will. From his days as a clerk, teaching himself law reading Blackstone, practicing law in Springfield, running unsuccessfully for office, debating Stephen Douglas over the issue of slavery, and ultimately becoming President of the United States, the dAulaires have written and beautifully illustrated the life of one of Americas most remarkable citizens. Abraham Lincoln continues to stand as Americas most beloved President. The admiration felt by Americans for Lincolns humble integrity, his noble statesmanship, and his keen sense of justice are beautifully captured in the dAulaires art and prose. As our nation celebrates the Bicentennial of Lincolns birth, the message of his life, and death, is as timely as ever. Of our nations historic icons, Lincoln is the quintessential embodiment of American possibility in his

mythic-like rise from rail-splitter to Chief Executive and Emancipator of the oppressed. May his story live on. Rea Berg, Beautiful Feet Books, 2008
