How to Write an Argumentative Essay Essay writing is a requirement in high school and college writing classes. There is no way around it. However, writing essays for many students can be challenging. They will be required to write various types of essays such as the argumentative essay, which is the most common type of essay written in college writing classes. Argumentative essays are designed to present an argument in a logical and structured manner. It may be difficult for some students to generate ideas for an argumentative essay, and for others they may know what they want to write about, but have trouble organizing their thoughts and putting those ideas down on paper. How to Write an Argumentative Essay provides the writer with some techniques to help get those ideas floating around in your head onto paper, or in a word processor, if you will. With a little preparation and planning and a lot of practice and hard work, you too can write a well-written argumentative essay.
