

# Cheers!: The World of a Wine-Osaur: Winning Diversions and Anecdotes from Radio and Televisions Wine Guy

Informed, off-center, opinionated--Cheers! will make you chuckle, groan, and ultimately relax and enjoy wine as you never have before. The author draws upon years of enthusiastic tasting, both in his British homeland and here. His essays cover memorable meals, practical advice, wine celebrities, and curious adventures--all peppered with his irreverent wit and unorthodox take on wine culture.
