

The Pictures are Better on the Radio: One Fans Love Affair with Sport on the Radio

The funny, heart-warming tale of Adam Carroll-Smith's enduring love of sport on the radio, a uniquely personal collection of memories with the power to generate a shared, nostalgic sense of déjà vu. From furtively listening to Premier League matches under his duvet as a boy, to secretly following Ashes Tests and Wimbledon championships when he should have been working, all the way to sleep-deprived nocturnal sessions with the Super Bowl and the Ryder Cup, *The Pictures are Better on the Radio* tells the story of how one fan fell in love with sport on the wireless. Full of acute observations, touching anecdotes, and Adams customary mix of deadpan and absurdist humor, the memoir effortlessly gets to the heart of what it means to be a sports obsessive, and explores why radio continues to be such a cherished medium for fans across the world.

Demi sent an honest and heartfelt thank you to her loyal fans. Previous Next Then, in 2016, Zac gave Elle an update on how he's changed his life for the better. What I found is structure. I realised that viewing yourself through other people's pictures is not living your own life. ... The greatest love story Radio 1 ever told.
