

Collins Cobuild Learners Dictionary

Most high schools and middle schools prefer this dictionary over the Collins COBUILD Advanced Learners Dictionary. Our price for the Advanced Learners Dictionary is a less and it is a more extensive dictionary but it also defines some offensive words that some schools may wish to avoid. New to this edition: The words being defined are highlighted in blue so you can find the word you are looking for faster. From the Publisher...

COBUILD continues to offer a comprehensive approach to understanding, learning, and teaching today's English. This new COBUILD dictionary provides a detailed picture of the English language of the 1990s. With over 60,000 references and 55,000 examples, there is a wealth of information on the central core of English vocabulary, and much more besides. *

- * Frequency Information makes the important words easier to find
- * Full sentence explanations provide detailed information about typical phraseology and collocations in an informal, user friendly style.
- * More than just meanings ways of expressing attitudes and intentions are clearly explained, helping learners avoid typical mistakes
- * 55,000 real examples all drawn from the Bank of English, show how the language is both written and spoken
- * Unique extra column makes information easy to find, easy to understand

The COBUILD Learners Dictionary is an indispensable reference book for all students from intermediate level upwards.
