

The 10-Second Internet Manager: Survive, Thrive, and Drive Your Company in the Information Age (Unabr.)

All managers today are Internet managers. It doesn't matter if their business is large or small, old economy, or new. In a faster, electronic, and more direct economy, every manager needs help. The 10-Second Internet Manager offers quick, no-nonsense tips, tactics, and strategies for succeeding fast in the Internet age from Mark Breier, an online expert willing to share the practical lessons he learned as an executive on the front lines of the e-commerce wars. The 10-Second Internet Manager will show you how to improve productivity and accelerate growth. You'll learn how to use e-mail to keep everyone connected; how to use the Internet to get a quick customer response to your product, your plan, or even your business model; how to build teams now and how to make sure they're moving forward instead of just around; and how to make effective meetings produce results that contribute to your bottom line.
