

ME/CFS - The Unpredictable Journey

The Unpredictable Journey is a personal success story about having survived the trials and tribulations of the disease known as ME/CFS (Chronic Fatigue Syndrome). It is a detailed and informative account of living with and overcoming this debilitating illness. Discover successful coping mechanisms and management strategies to ensure that you can live a full and happy life. Highly recommended for those who are suffering from the illness, but also for their carers, family members and the medical profession.
