

Proceedings of the Quadruple Congress on John Duns Scotus, Part 2: The Opera Theologica of John Duns Scotus

2008 was the 700th year anniversary of the death of the great Franciscan philosopher and theologian John Duns Scotus. International scholars gathered together from around the world to celebrate the life, work and intellectual legacy of the Subtle Doctor. This gathering took the form of a Quadruple Congress, comprising four conferences, treating four different themes, associated with the intellectual journey and legacy of Scotus. The conferences were held in Oxford, Cologne-Bonn, Strasbourg and the Franciscan Institute at St. Bonaventure University. This volume, part 2, offers investigations into the theology of Scotus and contains contributions by Robert Andrews, Oleg Bychkov, William J. Courtenay, Richard Cross, William A. Frank, Tobias Hofmann and Ludger Honnefelder.
