Refusing to let the diagnosis limit his enjoyment of food, he created a variety of delicious, gluten-free adaptations of everyday dishes, which he shares in this book. As well as tempting breakfasts, lunches, dinners and desserts, such as Buttermilk Scones, Camembert Quiche, Bacon and Cabbage Terrine and Apple and Pecan Crumble, there's a section on store-cupboard staples and basics, including gluten-free bread, pizza and pasta. With a few small adjustments, those with coeliac disease will no longer miss out on their favourite meals. Gearoid Lynch knows how to cook great gluten-free food.
