

Good and Miserable

This is a psychological self-help book that addresses an issue that is pervasive in today's high stress and highly competitive environment. If you are someone who tries to do your best but still find that you are frustrated or unhappy in several areas of your life this might be a great help. Do you try to be a good person in most areas of your life but still end up miserable? If this sounds familiar to you this book can point the way to significant relief.

CHAPTER ONE Another No Good Miserable Low Down Rainy Day I sat up in bed and reached my arms high in the air and let out a big yawn. Today is the day Women are more unhappy than men, and men are blamed for this. But perhaps men aren't the real culprits.
