Olivier Manitarara lets us share a few moments of the life of one of the greatest spiritual Masters that humanity has known. One can read through moments of the life of the Master Jesus, and discover hidden, or not so well known, aspects of his personality. These stories show an erudite but simple man, an enlightened but accessible Master, attentive to all those who approached him. We learn, for example, in what exact circumstances he pronounced the word, The one who approaches me approaches fire, and we discover totally unknown scenes of his life with Mary Magdalene, Saint John, Mary, and others, as many fragments of a fifth Gospel that bring a new light on the life of Jesus.
