Dr. Udis Sanchez Manalansan-Lord
From the author of *From Fieldhand to Ph. D., Motivation for success and Happiness (book and workbook edition)*, *Dr. Lord's Supersonic Speed Reading and Writing Workbook*, *Dr. Lord's Excellence Education: Anger and Stress Management, Self-Esteem Development and Ethical Decision Making*, and *Dr. Lord's Virtuous Teenage Parenting: Applying Confucian Virtues and Educational Psychology in Teenage Parenting* (available at www.drudislord.com and Amazon.com in book and ebook format).

Dr. Lord, the author of 7 books with 28 years of working with ADD, ODD and other learning disabled adolescents has a Doctor of Philosophy in Education, Master in Guidance and Counseling and Master in Clinical Psychology (EBT). Having two teenagers diagnosed with ADD and ODD inspired her to research and write this book which she recommends to be read with her other books: DR. Lord's Excellence Education: Anger and Stress Management, Self-Esteem Development and Ethical Decision Making, Dr. Lord's Virtuous Teenage Parenting: Applying Confucian Virtues and Educational Psychology in Teenage Parenting. DR. Lord sees her two teenagers gradually evolve into matured, responsible young adults without medication. She sees hope in healing ADD and ODD with proper nutrition, physical exercise, behavior modification, stable home environment and an overall holistic healing instead of popping pills just to get the teens out of the way. These are the information that she shares in her books that are available through Amazon and her website www.drudislord.com Dr. Lord is the author of 7 books and is a graduate of St. Louis University in St. Louis, Missouri. She is the recipient of several academic and recognition awards, has been featured in different televisions and newspapers.
