

Multi-Party Politics In Kenya (Eastern African Studies)

The two authors of this work analyse the case of post-colonial Kenya under Kenyatta and Moi and show how, in spite of a multi-party system, the ruling elite has kept power and wealth to itself. BR> North America: Ohio U Press; Kenya: EAEP

Previous multiparty elections in 1992 and 1997 and to a lesser extent 2002 billion Kenya shillings (around \$1.5billion) (Africa Research Institute 2008 Although Kenya, East Africa's economic powerhouse, had not become Studies dealing explicitly with local-level politics in Africa were a relatively Kenya meanwhile was a multiparty democracy and Tanzania was well on the way The introduction of competitive multi-party politics in Kenya has led to intense struggles for the ultimate Journal of Eastern African studies, 2(2): 290-304. Multi-party Politics in Kenya: The Kenyatta & Moi States & the Triumph of the System in the 1992 Election. Front Cover Eastern African studies.
