

Music in the Primary School (Resources of Music)

This Handbook is for all primary teachers, whether or not they feel they are at all musical. The author, Dr Janet Mills, believes that primary class teachers can and should teach music, just as they teach all other subjects. This new edition has been revised and updated to take into account the latest requirements of the National Curriculum in England and Wales. However, all student teachers, teachers and initial teacher trainers, wherever they are working, will find this book a valuable resource, and essential reading. ... lively and honest ... has children and music at heart Times Educational Supplement ... essential reading for student teachers, teachers and initial teacher trainers ... a valuable resource and a refreshing contribution to the literature of primary music. Education ... remarkably timely and well conceived ... British Journal of Music Education
