

Cuba: Castro, Revolution, and the End of the Embargo

Cuba: The Mob, Castro, and the End of the Embargo, explores Cubas complicated history and emergence from an era of economic isolation from the US. Exploring Americas relationship with Cuba, the many political forces that have shaped the countrys identity including communism, Batista, and The United Fruit Company; the conflicted legacy of Che Guevara; and the current relationship between Fidel and Raul Castro and President Obama, Cuba contextualizes what the future holds for the Pearl of the Antilles.
