

# Srimad Bhagavad Gita

This edition is the only one that has been prepared and updated at Swami Paramananda's own center, the Vedanta Centre in Cohasset, Massachusetts, by those carrying on his work. Considered the Bible of Hinduism, the Bhagavad-Gita contains the essence of India's practical spirituality. It is a must for anyone interested in Eastern teachings. The philosopher, Lin Yutang, chose Swami Paramananda's translation to include in his anthology, *The Wisdom of China and India* because I believe, more than the others, it shows that mastery of the languages and that profound understanding of the thought content, so that the result is, as it should be, an easy, effective and mature version, without either the cumbersome of the scholarly or the surreptitious paraphrasing of the over-interpretive.
