

Bored Writer: 99 Writing Exercises to Inspire the Creative Mind Within (99 Writing Prompts Book 3)

Are you struggling to find something to write about? Do you dream about being a writer but aren't sure where to start? Do all of your writing projects fall short because you simply aren't inspired in your writing? If you answered yes to any of these questions, then you're in the right place. *Bored Writer: 99 Writing Exercises to Inspire the Creative Mind Within* is a collection of 99 exercises you can complete to find inspiration, writing ideas, and freedom from writer's block. While this book does not promise to make you a bestselling author or even locally famous, it will offer you the chance to get out of your comfort zone and start finding a little excitement in your writing. You can complete all of these exercises in a row or, if you feel like being a little adventurous, you can skip around. Each exercise is a freestanding one which means you don't have to complete the previous exercise in order to benefit from the one you're on. Compiled by a novelist who has too much time on her hands yet still finds herself stricken with unimagination syndrome every now and again, these exercises will get your mind thinking and your words flowing faster than you can say *The End*.
