

# The Employee Handbook of New Work Habits for a Radically Changing World: 13 Ground Rules for Job Success in the Information Age

Hardcover with dustjacket. . Price Pritchett, author. Boards are light gray with deep red color trim to the spine, gilt lettering on the spine. Book is really almost like new, pages are clean and without markings or tears. The spine is tight and straight. The dust jacket has a tiny tear at the top of the book near the spine, this is really the only flaw. This is a great book to read and printed so nicely in easy, simple language to get the points across. Excellent information that anyone with a small company should read, even a big company for that matter, and especially for an employee. Knowledge is power! You just might want copies to give to others or share this one with them. Be empowered, learn something about people and the workplace and changes now. Features 13 rules for job success in the Information Age. Its a different world these days. Jobs call for new behaviors. New perspectives. All of us need to understand what is going on in the world and how we personally must change, both for our own benefit as well as our employers. How our work habits must be reshaped to fit todays new circumstances. Excellent read. Total 77 pages. Approximate size, 5.25 x 7.75. \*5BC3
