

The Phantom Tollbooth (Essential Modern Classics)

When Milo finds an enormous package in his bedroom, he's delighted to have something to relieve his boredom with school. And when he opens it to find as the label states One Genuine Turnpike Tollbooth, he gets right into his pedal car and sets off through the Tollbooth and away on a magical journey! Milo's extraordinary voyage takes him into such places as the Land of Expectation, the Doldrums, the Mountains of Ignorance and the Castle in the Air. He meets the weirdest and most unexpected characters (such as Tock, the watchdog, the Gelatinous Giant, and the Threadbare Excuse, who mumbles the same thing over and over again), and, once home, can hardly wait to try out the Tollbooth again. But will it be still there when he gets back from school? This new edition of Norton Juster's classic story includes a special Why You'll Love This Book introduction by award-winning author, Diana Wynne Jones.
