

# Ruin of Souls

Evil is very real. It lurks at the corners of our existence like a cunning predator, waiting for the right opportunity to present itself. It has no conscience. It will attack young mothers with small children, people who are down on their luck and those with perpetual illnesses. In fact, those are its chosen prey. It will take them down with bone-crunching glee as it devours their very souls. For several decades, one man has been fighting the darkness. Armed with a legion of archangels and spirit guides, he has silently been battling a deadly army, bringing peace and salvation to hundreds of weary souls. Until now, his story has remained a secret. This is the story of Shaman Michael Robishaw. *Ruin of Souls* takes you deep into the heart of the terror with 13 true paranormal encounters that will leave you chilled to the bone. If this book doesn't frighten you, nothing will.
