

Thighs to Die For

Thighs are the #1 problem area for most women. There are thigh creams, thigh machines, thigh videos all promising miracles. But miracles aren't what's needed: results are. Using a commonsense approach, fitness instructor and consultant Ann Piccirillo, founder of the Manhattan Body, Inc., exercise studio, has developed a breakthrough program of exercise and diet that works to target, tone, and sculpt your thighs in just twenty minutes a day. Packaged with a unique, adjustable, weight-holding exercise pouch of the author's own design, the book offers three complete workouts of fifteen easy-to-follow, illustrated exercises. 36,000 copies in print.
