

Stories from Blind River

Ruhr Valley Publishing, 1998. 10 x 7; 72 pg. Stapled paperback. Illustrated by Sharon Roussel Kliebert. Blind River runs through one of the most historic areas of Louisiana. The Acadians called it Bayou Des Acadiens. Many of the stories in this book are tales handed down by the old timers and swampers who carved out a living on Blind River. Many historic pictures and drawings.

I really liked the story of Blind River. It starts slowly (but I dont mean in a bad way) then picks up the pace so by the end you are tearing through the pages.
