

# Porno? Chic!: How Pornography Changed the World and Made it a Better Place (Paperback) - Common

Porno? Chic! examines the relationship between the proliferation of pornography and sexualised culture in the West and social and cultural trends which have advanced the rights of women and homosexuals. Brian McNair addresses this relationship with an analysis of trends in sexualised culture since 2002 linked to a transnational analysis of change in sexual politics and sex/gender relations in a ra...

One does not need to view porn to be able to have good sex, of course, but thus: is this the kind of book you would want your wife and servants to read?
