

This is a new story of an illness that has raged for more than two decades: Chronic Fatigue and Immune Dysfunction Syndrome, known as CFIDS and also referred to as CFS. Part life story, part call to action, this book explores the tragedies of being sick, becoming sicker, and being misunderstood. The global epidemic is growing. What are we doing to stop it? Dr. Kirks journey is a wake-up call and warning about the health of our nation. - David Buscher, M.D., F.A.A.E.M. Past President, American Academy of Environmental Medicine
