

## William Henry Harrison: Young Tippecanoe (Young Patriots series)

Originally published in 1951, this biography of the childhood years of America's ninth president, William Henry Harrison, details the boyhood adventures and character of young Tippecanoe prior to his assumption of the highest office. The story opens with young Harrison's rousing rescue of sister Sally from drowning when he was just seven, followed soon after by an account of Harrison's quick thinking as he saved his uncle from bleeding to death following an accident. The famous battle at Tippecanoe is also reviewed, as are many more events and actions that young history buffs will enjoy.
